01

Secure Your Supply of High-Quality Ferroalloys Today

ABOUT US

MDS Metals originated as a family venture with a vision to transform the ferroalloys distribution industry. We have successfully integrated traditional business values with modern practices to create a unique business model that stands out in the competitive market. Our expertise, coupled with a robust management team, positions us to dominate the ferroalloys market in the years to come.

WHY US?

Comprehensive Ferroalloys Supply and Distribution with Expert Consultation, Timely Delivery, and Unmatched Quality Assurance.

JUST-IN-TIME DELIVERY

Understanding the criticality of timely deliveries, we maintain large buffer stocks to ensure that your materials are available when you need them.

QUALITY ASSURANCE

Quality is at the core of our operations. All our products meet stringent quality standards and come with certificates from reputable manufacturers, ensuring that you receive only the best.

WHY US?

COMPETITIVE PRICING

We pride ourselves in offering the most competitive prices in the South-East European market.

QUALIFIED SPECIALISTS

We made sure to hire only the best in the domain in order to assure quality services.

24/7 SUPPORT

Once you become a partner, enjoy full support from our team.
